Copy

Sept.8,1930.

Marin County Board of Public Health.
San Rafael.

Dear Sirs:

I have been requested by the members of our Club to ask for information as to what the County Board of Health will do if a dead and decomposing whale of seal or any other large animal washes up on our beach and becomes a public nuisance and menace to the general health.

Are we to notify any one in particular? If so,Kindly let me know what telehpone number to call.

This town is unincorporated and feels that when a nuisance,such as I have mentionsd,washes up on the public beach it is the duty of the Health Officers to see that it is removed or otherwise taken care of.

Kindly let me know just what the laws are in this respect.

Yours very truly,

Hilda M Grinnell.

Secretary.

Mr.N.L.Fitzhenry,
Stinson Beach.

Dear Sir:

At the regular meeting of the Progressive Club, on September third,it was voted by the majority of the members present that the Club pay five dollars ($5.00) to you towards the cost of hauling the dead seal off of the beach.

I am enclosing the check and would like to have you send me a receipt so that I may keep my records clear.

Yours very truly,

Hilda M. Grunert.
Secretary.

Sec't'y Progressive Club of Stinson Beach
Stinson Beach, California

Dear Madam:

In reply to your letter in re large animals washed ashore on beach will state that all that can be done to dispose of same is to burn them-all other methods of disposal have been unsatisfactory. If such a matter should arise it is necesarry to apply to the Supervisor of the District for a permit and means to carry out the order.

Inclosed find picture of whale which washed up on beach near Bolinas a few years ago and which was creamated as means of disposal.

Respectfully,
J. H. Kuser M. D.
Health Officer of Marin Co

Copy sent to - Sea Downs - Judge Upton and M. L. Fitzhenry.

September 11, 1930.

Upon the request of the majority members of the Progressive Club, I ,as secretary, wrote to the Public Board of Health at San Rafael to seek information in regard to the possible co-operation of the Board in the removal of any kind of dead animal which happens to wash upon the beach and become a menace to the public health.

You will note in the answer I received to-day that all such matters will be taken care of if the Supervisor of the District is notified at once.

The letter sent me from Dr.Kuser:-

Sec'y Progressive Club of Stinson Beach.

Gentlemen:

The Progressive Club of Stinson Beach wishes to thank you for the speed with which you responded to the call for help at the Beach on Decoration Day.

Until such time as we are able to have all necessary equipment at the Beach, it is good to know that we can call upon someone who will repond with such gratifying haste and good-will.

Yours very truly,
THE PROGRESSIVE CLUB OF STINSON BEACH

Progressive Club of Stinson Beach,
Stinson Beach, Calif.

Dear Miss Chambers:

Permit us to thank you right heartily for your nice letter of thanks dated June 5, 1931 in which you were good enough to express your appreciation for the response and operat ion of some of the members of our First-Aid Squad on Decoration Day.

We feel that this is a public service which we should rightfully extend to the surrounding community whenever there is a need for such service and whenever there is any chance of our service being of value.

Please feel free to call on us at any time and in return we assure you that we shall gladly give whatever cooperation that may be in our power.

Also, we wish you to feel that if there is anything we can do to assist in the training of a first aid crew for Stinson Beach we shall be glad to extend the facilities of the Mill Valley Fire Department to the fullest exten t.

Sincerely

Chas Baird

Chief of Department.

April 8, 1935.

County Board of Health,
San Rafael,
California.

Dear Sirs:

We are having considerable trouble in this district with people passing through and dumping garbage and rubbish along the highways.

It is positively disgusting to drive on most any of the roads leaving this town after the weekend.

The local residents do some of this dumping and do not seem to care ,other heaps are made by people passing through.

We have a dumping ground at the head of Bolinas Bay where everyone is privileged to dump but some will not drive that far.

Is there no way they can be forced to dump in the proper place?

Is it not against the law to dump promiscuously? But who can arrest of complain?

Would it not be possible for your board to come over here and sign these places? There are one of two that are the worst, but almost very turn on the road where there is a canyon is full of garbage.

We sincerely hope that you can help us in this matter before the summer traffic begins or it will be a certain menace to the health of our children.

If you will communicate with this organization we will be glad to point out the places to you, and will surely appreciate anything you may be able to do.

Very truly,

THE PROGRESSIVE CLUB OF STINSON BEACH.

Hilda M.Grunert,Secretary.

April 4, 1935.

Secretary of the Bolinas Club,
Bolinas,
California.

Dear Sir:

Our organization is framing a letter to be sent to the County Board of Health asking them to help in some way to stop the promiscuous dumping of garbage and rubbish along our highways, particularly between Stinson Beach and Bolinas on the old causeway, and in many of the canyons on the way to Sausalito and MillValley.

We wonder if you would care to help by also sending a letter so that it will be more emphatically impressed upon the Board that it is necessary to sign these places and do something to curb such a nuisance befor the summer traffic beginas.

Our letter will leave Stinson Beach next Tuesday and we hope that you will cooperate with us and send one out at approximately the same time.

Yours very truly,

THE PROGRESSIVE CLUB OF STINSON BEACH.

Hilda M.Grunert,
Secretary.

Hilda M. Grunert,
Progressive Club of
Stinson Beach,
Marin County, Calif.

Dear Miss Grunert:

I am sending a number of "no dumping" signs to the Bolinas Club(Mrs. A. H. Cook, Secy) Please get in touch with the Club to determine the best locations to post these signs. The Bolinas Club has made a complaint similar to yours about the dumping of garbage on the highways.

Weather permitting I will see you soon to discuss the matter more satisfactorily .

Yours very truly,

H O Howitt M D

Dear Miss Grunert:

Received your letter of April 8.

I am going to make a trip to this vicinity within a few days, at which time I will investigate the conditions you describe in your letter.

Very truly yours,

H. O. Howitt M.D.
